**MAKE YOUR INCOME
MATCH YOUR DREAMS**

"Strange and marvelous things will happen with constant regularity when you make these ideas a part of your way of thinking, a part of your way of life."

-Earl Nightingale

One And Only You

Every single blade of grass,
And every flake of snow—
Is just a wee bit different ...
There's no two alike, you know.
From something small, like grains of sand,
To each gigantic star
All were made with THIS in mind:
To be just what they are!
How foolish then, to imitate—
How useless to pretend!
Since each of us comes from a MIND
Whose ideas never end.
There'll only be just ONE of ME
To show what I can do—
And you should likewise feel very proud,
There's only ONE of YOU.
That is where it all starts
With you, a wonderful
unlimited human being.

Earl Nightingale

the "Dean of Personal Development"

These 3 incredible individuals bring you the most complete, powerful and life-enhancing coaching program – EVER – covering topics including:

YOU ARE IN THE RIGHT PLACE, THIS IS THE RIGHT TIME

WE'RE PART OF AN ORDERLY UNIVERSE

The Universe operates by law – you are a part of this Universe therefore the results you achieve in life will be determined by your ability to work in harmony with these laws.

WITH THE NEW LEAD THE FIELD COACHING PROGRAM

... you're going to develop an understanding of exactly what these laws are and how they operate – you'll then clearly see **HOW** and **WHY** you're getting the results you're getting and know how to change them if you want something better or different ... in any area of your life.

You're going to have a difficult time taking the smile off your face **WHEN** you realize you **ARE** in the right place, **THIS** is the right time and the beautiful truth is you are becoming **AWARE** of it.

YEARS OF RESEARCH HAS GONE INTO THE CREATION OF THIS PROGRAM.

Earl Nightingale invested over a quarter of a century in research preparing him to write and record the original Lead the Field Program.

Earl clearly understood we are spiritual beings and this entire Universe did operate by law. He also knew that these great truths were not openly talked about or understood by the masses, so he exercised his creative license and buried the information within the recordings.

His understanding of the laws and human potential allowed him to create success and retire at the mere age of 35.

This is the same Lead the Field Program that Bob listened to on long playing records in the early 60s and it completely changed his life. He was a 26-year-old high school drop-out earning \$4,000 per year. Within a year Bob increased his income to \$15,000 per month and became a millionaire before the age of 35.

Bob has been studying this program for more than 50 years and has its essence engrained into his being. Over the years he has developed the ability to explain very complicated and intricate laws in a simple way so that everyone can easily understand, enjoy and benefit from it.

THIS PROGRAM HAS LITERALLY EVERYTHING YOU NEED TO CREATE ANYTHING YOU WANT FOR YOUR LIFE.

Over the years, Bob has developed a clear understanding that repetition is absolutely essential in changing our habitual thoughts and behaviors – The New Lead the Field Coaching Program is beautifully and uniquely designed to do that while we work with you through each lesson for 10 days.

HOW IT WORKS

There is a total of 12 Lessons covered in this dynamic 120-day coaching program. That includes 12 audios, 24 videos, a complete action planner and 4 LIVE Q&A Sessions with Bob Proctor and Sandy Gallagher.

Every ten days, you'll receive a printed lesson from your action planner, the lesson itself in audio accompanied with a video, and then 5 days later, another video to take you even deeper on that lesson so you get the absolute most from it.

WHO WILL YOU BE IN 120 DAYS?

The repetition of truly impactful information over a short span of time can cause you to see advantages, benefits, and abundance everywhere you look.

You have deep reservoirs of talent and ability locked up within you – a simple idea, a suggestion, a word or deed, can change the direction of your life in a millisecond. It did for all three the authors of this program and by subjecting yourself to their direction over the next 120 days you will move onto the road of a bright future.
