

EARNINGS & PROFESSIONAL COACHING DISCLAIMER

Last Updated: August 21, 2026

This Earnings & Professional Coaching Disclaimer ("Disclaimer") applies to all visitors, users, and clients of **Become with Melva LLC** ("Company", "we", "our", "us"), including access to our websites, [Self-Mastery Thinking](#) and associated digital domains (collectively, the "Site"), as well as our coaching programs, diagnostics, private masterminds, digital curricula, and masterclasses (collectively, the "Services").

1. Educational & Informational Purpose Only

- **Mindset & Strategic Advisory:** All content, diagnostics (such as the 360° Result Audit), frameworks (*The Melva 360° Method™*, *THE CEILING AUDIT™*, *R.I.C.H.E.S.T.*), audio lessons, workshops, and 1-on-1/group advisory sessions are designed solely for educational, personal growth, and executive performance development.
 - **No Professional Licensing:** Melva Farquharson and Company facilitators are high-performance mindset coaches and business strategists, not licensed mental health practitioners, psychotherapists, physicians, Certified Public Accountants (CPAs), or attorneys.
 - **Not a Substitute for Professional Counsel:** The Services are never intended to replace, supersede, or substitute for professional medical advice, clinical mental health diagnosis, certified legal counsel, or registered financial/tax advisory services.
-

2. Earnings & Results Disclaimer

- **No Financial Guarantees:** We make no representations, warranties, or guarantees regarding your future earnings, business revenue, career promotion, or client acquisition. Your financial success depends entirely on your own background, market conditions, dedication, skill set, and execution.
- **Illustrative Examples & Testimonials:** Any case studies, client testimonials, income references, or performance milestones shared on the Site or in marketing collateral reflect real, individual experiences. They are presented strictly for illustrative purposes and do not represent a guarantee or promise that anyone will achieve the same or similar outcomes.

- **Assumption of Risk:** As with any business or executive undertaking, there is an inherent risk of capital loss and operational uncertainty. You assume full personal and financial responsibility for all risks associated with your business operations and career decisions.
-

3. Personal Responsibility & Client Due Diligence

- **Autonomous Decision-Making:** You acknowledge and agree that you are solely responsible for your own life choices, business strategies, emotional responses, and operational execution.
 - **Independent Verification:** You agree to perform your own due diligence and consult with your personal legal, financial, tax, or medical professionals before implementing significant changes based on insights gained through our Services.
-

4. Interactive Containers & Peer Sharing

- Discussions, hot seats, and diagnostic breakdowns inside group cohorts, masterminds, or live masterclasses are collaborative. Advice given in a group context is general to high-performance methodology and must not be construed as customized legal, financial, or clinical instruction for any individual participant.
